

## GPX FILE INSTRUCTIONS

**This GPX track file is useful to all the people assisting the athletes during the race.**

It supplies important information, explaining how to reach the assistance points along the track, in the shortest way and without endangering and/or hindering the racing athletes.

IMPORTANT: this GPX track file tries not to cover racing tracks and common roads. It rarely crosses the racing track. Prudence, responsibility and respect during assistance and transfer among the assistance points are highly recommended by the staff.

**This GPX track file is the only one from Spilimbergo- Villa Businello through 7 assistance points to go back to the same starting point (Spilimbergo).**

The Marathon race is covered by all 7 points.

The Granfondo race is covered by points 2, 3 and 7 only.
